Dear Friends of The Arc,
 Who knew this year would start so well and end so differently? The economic crisis reached us fast, bringing delays in State payments, reduced donations and great uncertainty about the future. On the other hand, we served more people than ever before. We had an excellent Great Home Giveaway Fundraiser. We now own our building. We face the future and all its challenges, knowing that we will be here for those who need us most, thanks to all of you who support our mission.

Nancy Adamany, Board President

Hello Everyone,

What can I say about this year? We saw the best of times and the worst of times. In July 2008 we retired our mortgage and now own our offices at 1222 and 1214 East State St. Our services expanded to meet an increase in people receiving Home Based Support Services. We sold our small van, bought a bigger one. Our Shining Stars Theater group performed in Denver. One of our artists won first place in The Arc of IL art contest. Most of all we are thankful for the trust and support of everyone in the community who helped us with gifts of time, talent and treasure. With your support we will continue to serve your neighbors with developmental disabilities. Thank you for that privilege. *Jacki Neil Boss, Executive Director*
