Family Support Grant Eliminated

Illinois' disastrous budget currently includes the elimination of The Family Support Grant. That grant funds many of the services we provide including: Low-Cost Guardianships, Resource and Referral, Money Management/Rep Payee, Social Activities, and Family/Participant Workshops.

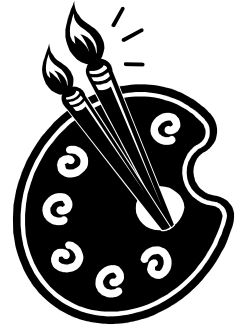

We plan to continue to provide Family Support; so here is how you can help:

1. Buy/Sell Great Home Giveaway Tickets
2. Make a Contribution
3. Urge Legislators to pass a responsible budget with adequate revenue

Visit www.thearcofil.org for budget crisis updates and other news affecting people with disabilities and their families.

There will also be a 4-week **"Talent Training"** program that helps participants practice their individual talents and learn how to perform in front of others.
